R E P O R T

[To accompany H. Res. ___]

The Committee on Rules, having had under consideration House Resolution
___, by a nonrecord vote, report the same to the House with the
recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for the consideration of the Senate amendment to H.R. 1722, the Telework Improvements Act of 2010. The resolution makes in order a motion offered by the chair of the Committee on Oversight and Government Reform that the House concur in the Senate amendment to H.R. 1722. The resolution provides one hour of debate on the motion equally divided and controlled by the chair and ranking minority member of the Committee on Oversight and Government Reform. The resolution waives all points of order against consideration of the motion except those arising under clause 10 of rule XXI. The resolution provides that the Senate amendment shall be considered as read. Finally, the resolution authorizes the Speaker to entertain motions that the House suspend the rules at any time through the legislative day of November 19, 2010. The Speaker or her designee shall consult with the Minority Leader or his designee on the designation of any matter for consideration under suspension of the rules pursuant to this resolution.

EXPLANATION OF WAIVERS

Although the rule waives all points of order against consideration of the motion (except those arising under clause 10 of rule XXI) the Committee is not aware of any points of order against the motion. The waiver of all points of order against the motion is prophylactic.
